

Dying and Coming back to life—what *is* in Heaven?

15th August 2009 - 1pm

Dallas Brooks Centre - 300 Albert St, East Melbourne

You are invited to a talk by internationally acclaimed Medical Intuitive and Metatronic Energy™ Practitioner, Carmel Bell, on death, coming back to life. What is it like to be dead?

Carmel recently died from sudden cardiac arrest and remained dead for 47 remarkable minutes before being resuscitated. Medical records attest to the fact that she had been dead and had suffered significant brain damage. Using her own techniques, Carmel has healed her body and her brain. This story is so remarkable that Channel 9 ran it as their lead story on Monday 8th of June.

This is your chance to hear about Carmel's experience of Heaven, and about how she used Metatronic Energy to heal herself. You will also have the opportunity to ask questions.

The first talk sold out in 2 days!!
